**Subject:** Meeting tomorrow

Hi Dave

Jo and I just talked – it is feeling rushed to try to have a complete conversation tomorrow morning. Jo will send her draft list of projects/assignments to us and we can use it for a discussion during the call. We can do a follow up either next week or after the holidays.

I was at a meeting with ECY today where the NPS plan was mentioned, so we want to make sure we know who will be POC on that while we back fill Jo’s position.

Dave, we will call you – will you be at your desk (6-6694)?, if not, please send alternative number

More tomorrow

Thanks!

Lucy
